**SERVE. HELP. INVEST. PARTNER.**  
[www.shipresources.org](http://www.shipresources.org)

This relief fund is for residents that reside within the Shippensburg Area School District and have unmet needs created by COVID-19. Once the form is submitted, an SCRC representative will contact you to discuss your application. This relief fund is made possible by donations from Volvo Construction Equipment and its employees.

We are asking for the information in this form so that we can help connect you to additional resources. You may choose to skip any of the questions and instead talk with an SCRC representative about your situation. Please call 717-658-2092 if you would like to speak to an SCRC representative directly. Talking to an SCRC representative instead of completing the form does not accelerate your request. Thank you!
